WORK EXPERIENCE

Multimedia & Social Media Coordinator (Internship) *2025 - 2026*

University Library, Sanata Dharma University, Yogyakarta, Indonesia

- Managed Instagram content production and distribution for the library, reaching 26,000+ unique accounts (53.8% non-followers) and generating 500,000+ views.
- Directed visual concept, script, and technical shot specifications for the library's official profile video.
- Wrote, edited, and published news articles on library events for the library website, applying search keyword practices.
- Developed digital research literacy materials covering Mendeley, VOSviewer, Publish or Perish, AI research ethics, and h-index analysis.
- Designed and delivered social media strategy training for community service program (KKN) student participants.
- Coordinated fellow student interns across divisions to execute the library's multimedia program.
- Ran technical production for library webinars, including camera operation and OBS Studio, and prepared promotional content, certificates, and digital backdrops.
- Designed print promotional materials (brochures, stickers) and merchandise (tumblers, mugs, fans, umbrellas) for education fairs.
- Supported circulation services and patron book requests, and assisted staff in compiling documentation for competitions, accreditation, and certification.

Publication Coordinator *2024, 2025*

Undergraduate Conference, English Language Education Study Program, Sanata Dharma University

- Produced promotional Reels ads for the national conference paper submission campaign, and designed participant guidebooks, virtual backgrounds, posters, and certificates.

Publication Staff *2023, 2025*

International Language & Language Teaching Conference, Sanata Dharma University

- Produced promotional video, virtual stage backdrop animation, and audio-visual documentation for an international academic conference.

Publication, Design & Documentation *2023 - 2024*

English Action Days & English Welcoming Days, Sanata Dharma University

- Directed and edited the official 2023 trailer and after-movie for the study program's YouTube channel, and coordinated visual identity, logo, and committee uniforms.
